

¡Lávate las manos!

9° Grado

Los objetivos

Al terminar esta leccion, las estudiantes podrán

Form

Form the positive and negative familiar command form of reflexive verbs

Accentuate

Accentuate these affirmative commands for correct pronunciation

Pronounce

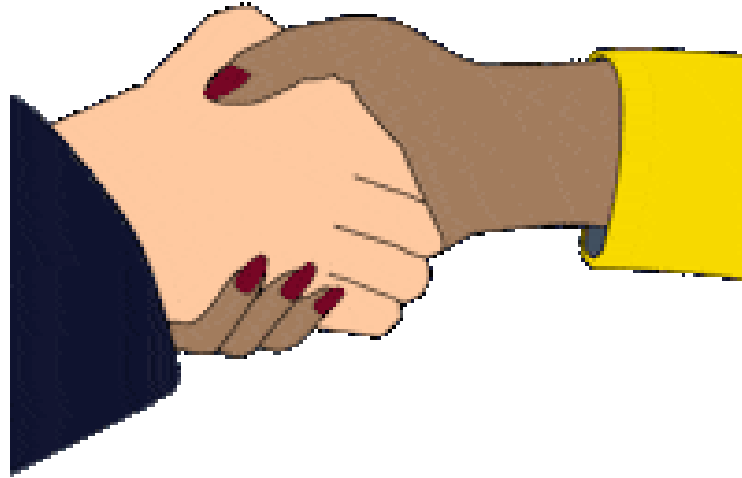

Pronounce the reflexive command correctly

Follow

Follow instructions that use the informal command.

Reflexive verbs

Verb

Reflexive
Pronoun

The background is a light cream color with a large, irregular yellow shape in the center. Surrounding this shape are various colorful illustrations of food and kitchen items, including an apple core, a tomato, a bunch of grapes, a spatula, a pepper, an orange slice, a bell pepper, a spoon, a pot with a lid, a chili pepper, a watermelon slice, and a cookie.

Observe the following command and create a hypothesis on the placement of the pronouns on informal commands

- Lávat**te** las manos
- No **te** laves las manos

Lavarse

The affirmative reflexive command

For the informal command, what is the subject?

Tú

What reflexive pronoun corresponds with that subject?

Te

Affirmative reflexive commands

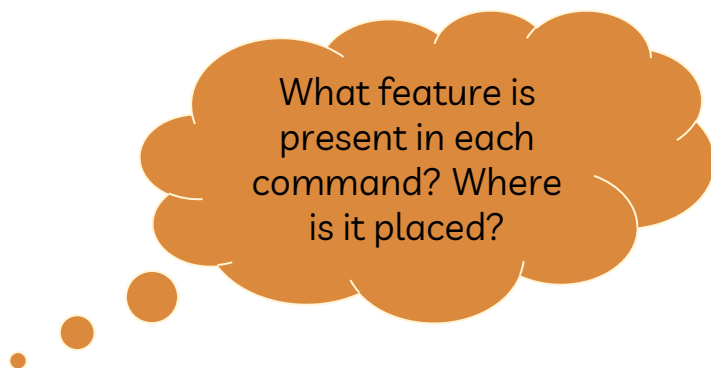

Buenas noticias!

The reflexive verbs follow the same steps as non-reflexive verbs BUT they are accompanied by their pronoun always.

For affirmative commands, the reflexive pronouns are **always attached to the end of the verb.**

Dormirse - Duérmete

Peinarse - Peínate

What feature is present in each command? Where is it placed?

The **negative** reflexive command

The negative reflexive command the

No + **te** + negative tú command

Dormirse – **no te** duermas

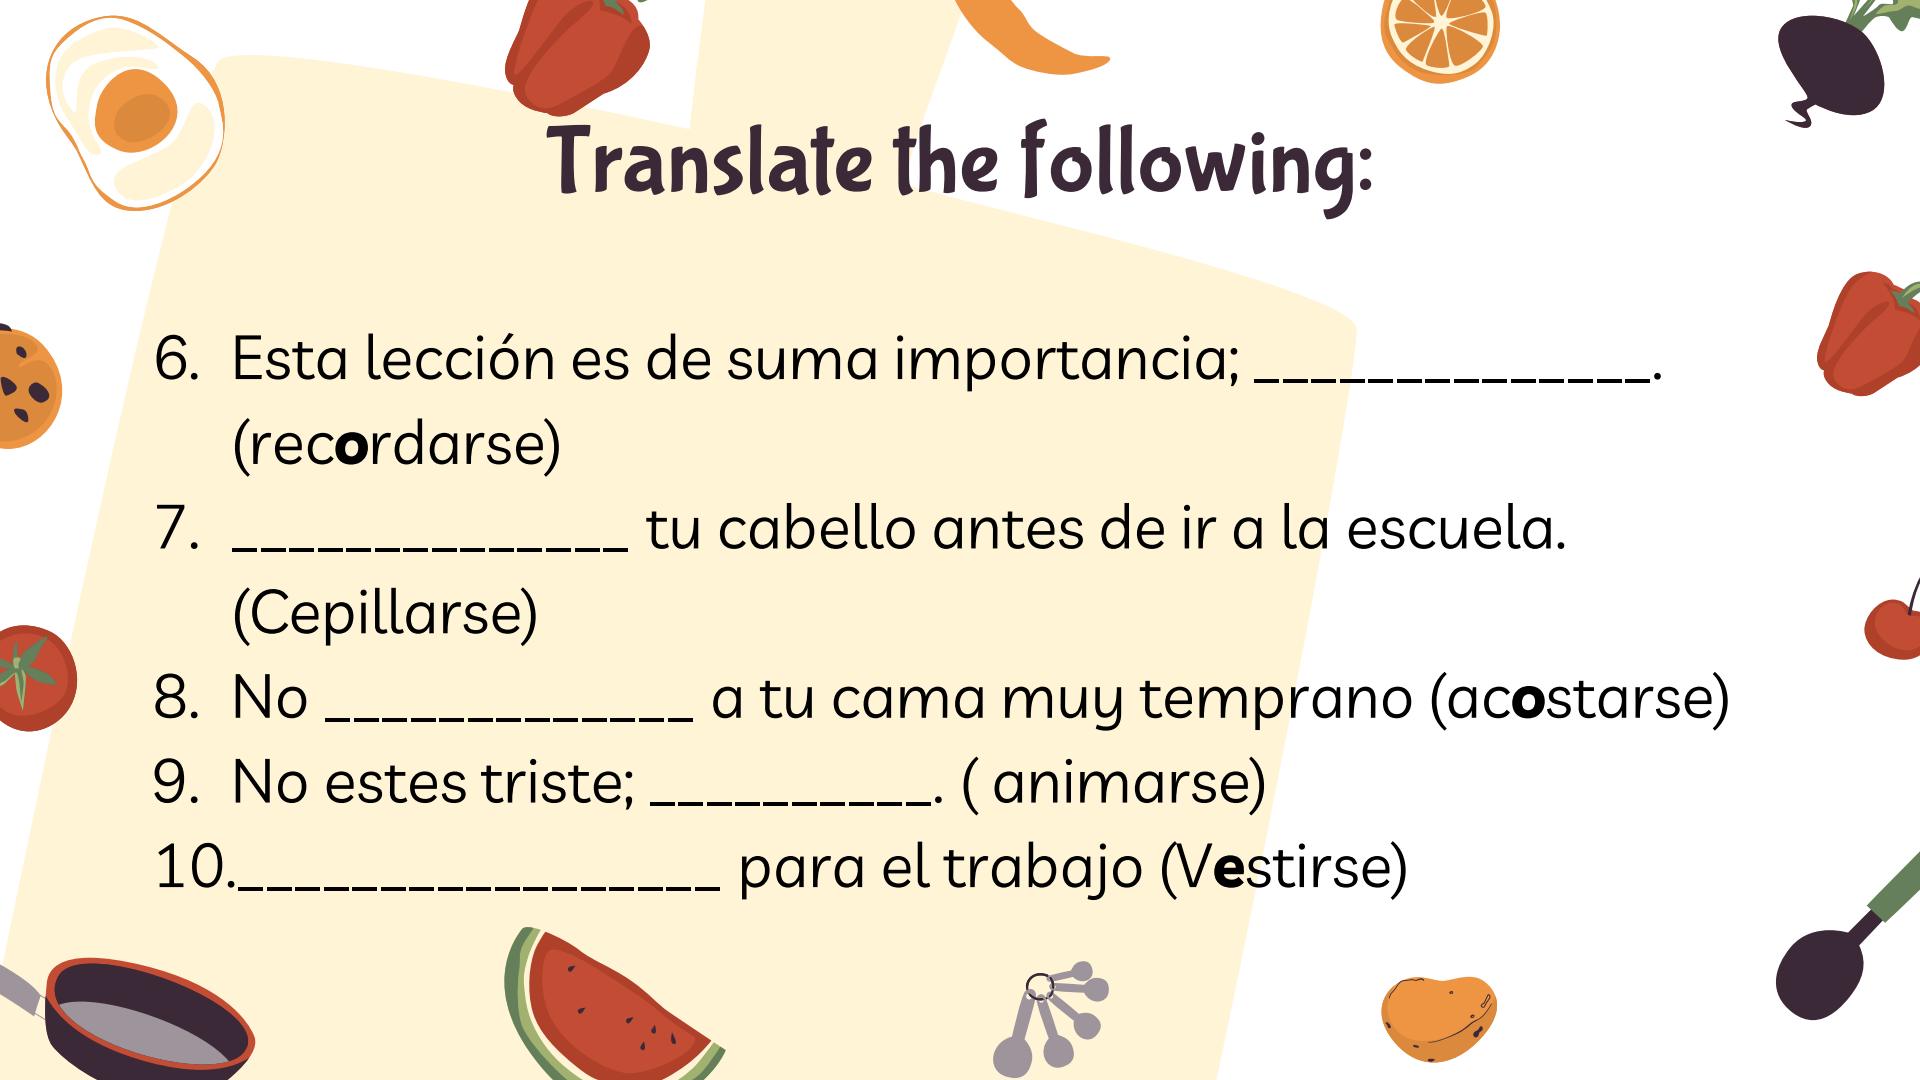

Peinarse – **no te** peines
