Fecha: el 15 de abril de 2025

Duración: 55 minutos

Tema: ¿Cuántos años tienes?

Materials:

- Number flashcards (1 to 35)
- Pictures of people/characters
- Dialogue cards
- Worksheets for written practice
- Markers and paper/posters for presentations

Objetivos: By the end of the lesson, students will be able to:

1. Identify and correctly pronounce numbers from 1 to 35 in Spanish. (*Lower-order thinking*)
2. Recognize the question structure “¿Cuántos años tienes?” and the answer: “Tengo ____ años.”
3. Apply the vocabulary in oral exchanges with classmates.
4. Formulate their own questions and answers about age.
5. Create a short oral or written presentation describing their age and others’.

5E Model + 4Cs

1. Engage (5 minutes)

Starter activity: “Guess the Age”

Show pictures of famous people or cartoon characters. Ask:

“How old is this person?” (Students answer in English first, then learn the key question in Spanish.)

Goal: Activate prior knowledge and spark interest.

4Cs: *Critical Thinking*

2. Explore (10 minutes)

Activity:

- Counting game with flashcards of numbers 1 to 35.
- Guided pronunciation practice and quick “Number Bingo” game.
- Oral practice in pairs: say random numbers, partner repeats or writes them.

4Cs: *Collaboration + Communication*

3. Explain (15 minutes)

Guided presentation:

- Introduce grammatical structure:
 - ¿Cuántos años tienes?
 - Tengo ____ años.
 - Review of the verb tener (to have) in the first, second, and third person singular.

Structured practice:

- Students repeat model sentences and complete mini dialogues in pairs.

4Cs: *Communication*

4. Elaborate (15 minutes)

Creative group activity:

- Create a mini-dialogue with 3 characters (choose names, ages, and draw or act them out).
- Write and practice a short script:
 - ¿Cuántos años tienes?
 - Tengo 12 años. ¿Y tú?
 - Tengo 13. Él tiene 14 años.

Groups present their dialogues to the class or record a video.

4Cs: *Creativity + Collaboration + Communication*

5. Evaluate (10 minutes)

Formative assessment:

- Exit ticket (written):
 1. Write the question: “How do you ask someone’s age in Spanish?”
 2. Answer in Spanish: *Tengo* ____ *años*.
 3. Translate: “My friend is 13 years old.”

Optional: One-on-one oral practice with the teacher.

4Cs: *Critical Thinking* + *Communication*

Assessment:

- Observation during pair and group activities
- Exit ticket review
- Informal oral presentation evaluation (pronunciation and sentence structure)
- Participation and collaborative effort
