3. Respond accurately to the question “**¿Qué estás haciendo?**” using appropriate vocabulary.
4. Create original dialogues or visual scenes describing ongoing actions.

5E Model + 4Cs + Teaching Strategies

1. ENGAGE (5 minutes)

Hook: Teacher enters class miming exaggerated actions (e.g., writing, dancing, sleeping) while saying: “¡Estoy escribiendo! ¿Qué estoy haciendo?”

Then shows a quick GIF slideshow of people doing different actions. Ask students:

“What do you think these actions mean in Spanish?”

Teaching Strategy: *Movement-based learning (TPR), visual prompts, prediction questions*

4C Focus: *Critical Thinking*

2. EXPLORE (10 minutes)

Activity: Vocabulary Discovery

- Students in small groups get cards with pictures and matching spanish sentences (e.g., *está leyendo un libro*).
- They match them, then walk around doing a “Gallery Walk” to compare answers.

Teaching Strategy: *Cooperative learning, hands-on matching, peer comparison*

4C Focus: *Collaboration*

3. EXPLAIN (15 minutes)

Mini-Lesson:

- Teacher explains the structure of the present progressive using slides:
 - *estar* (conjugated) + verb ending in *-ando* / *-iendo*
- Show examples:
 - *Estoy comiendo, Ella está hablando, Estamos escribiendo*
- Practice with sentence frames and substitution drills.
- Students complete a fill-in-the-blank worksheet using correct verb forms.

Teaching Strategy: *Explicit instruction, modeling, guided practice*

4C Focus: *Communication*

4. ELABORATE (15 minutes)

Activity Options: *(Students choose one – promoting creativity & differentiation)*

1. **Create a comic strip** showing 3–4 characters doing different actions.
2. **Write and act out a short dialogue** between two friends talking about what they’re doing.
3. **“Instagram Story” Project** – Students draw 3 images and caption each in Spanish (e.g., *Estoy cocinando, estoy hablando con mi amiga*).

Teaching Strategy: *Choice-based learning, student-led creative production*

4C Focus: *Creativity + Collaboration*

5. EVALUATE (10 minutes)

Exit Ticket:

Students complete 2 tasks:

1. Answer: *¿Qué estás haciendo ahora?*
2. Write one sentence each describing what two classmates are doing. (*María está escribiendo.*)

Teaching Strategy: *Formative assessment, self-reflection, peer observation*

4C Focus: *Critical Thinking + Communication*

✓ Assessment Methods:

- Observation during matching and speaking tasks
- Completed worksheet (form accuracy)
- Creative task (comic/dialogue/story)
- Exit ticket (checks for understanding and sentence structure)

Lesson Reflection/ Evaluation

The lesson introduced the present progressive tense effectively through visuals, group work, and creative tasks. While most students grasped the basic structure, many needed more practice with correct conjugation of *estar* and forming gerunds. A follow-up lesson is needed to reinforce accuracy and build fluency through speaking and listening activities.

- Fluency and spontaneous use of the structure needed more reinforcement.
- Time constraints may have limited deeper oral practice.
- A follow-up lesson was needed to solidify understanding and fluency.
